

Lectures at IMPA

by Prof. Uriel Frisch

Laboratoire Lagrange, Observatoire
and Université Côte d'Azur Nice, France

Special lecture

Introduction to turbulence and blow up

Tuesday, May 15th 2018, 14:00 - Auditorium 1

Mini-course

Cauchy invariants and

Cauchy-Lagrangian numerical methods

1st class: Friday, May 11th, 10:30 - Room 228

2nd class: Monday, May 14th, 10:30 - Room 228

3rd class: Wednesday, May 16th, 10:30 - Sala 236

Lecture at the Seminar for

Applied and Computational Mathematics

Burgers turbulence and the

spurious k^{-3} energy spectrum debunked

Thursday, May 17th, 14:00 - Room 333
